Dear supporters,

please note that this list is not complete. It might thus well be that you do not find your name on the list. This is simply due to the fact that we are drowning in statements of support and that we can't keep up with entering them all. Please accept our apologies for that and be sure that we really appreciate your support – thank you very much!

If you want to further support us, please

- 1) engage in organizing a local demonstration on October 13th and/or
- 2) download the Call to Action in your favored language and distribute it as much as you can and/or
- 3) follow us on Social Media and share our contents with your friends whenever you can and, most importantly,
- 4) participate in a demonstration on October 13th!
